Each Monday, Wednesday, and Friday at 10 a.m. assemblies will be held in the Fieldhouse. These assemblies are designed to promote spiritual, intellectual, and cultural growth. A new feature this year is the Monday Forum Assembly which will carry credit for attendance. Students will receive 1 hour credit per year or $\frac{1}{3}$ hour credit per quarter for registration and attendance at 7 Forums each quarter. See page 21 for registration details.

REGISTRATION INSTRUCTIONS

IMPORTANT FACTS YOU SHOULD KNOW

1. The program of courses listed on your registration card supported by course cards you turn in to the Registrar's Office is considered your official registration for the quarter. You will be held responsible for the satisfactory completion of the entire program unless an official "Change of Registration" form is filed with the Registrar's Office, Maeser Building. No change in registration will be accepted until Thursday, January 8.
2. When once registration has been completed, the discontinuing of a class, the electing of a class, or any change whatsoever must be made on a "Change of Registration" form approved by the Dean of your College. (Complete instructions are printed on the back of the form.)
3. An incompleted course of study may be completed within one year of the time of the incomplection of the course. If a student does not complete a course within the prescribed time, his grade for the course automatically becomes an "E".
4. After the SECOND WEEK of each quarter further enrollments or registration in courses is not permitted. This means both NEW CLASSES and SECTION CHANGES. If a student withdraws from a class after three weeks of a quarter, the permanent record will show the letter "W" for the class in question. Except for reasons beyond his control, a student is not permitted to withdraw from a course after the SIXTH WEEK of the quarter without receiving a failing grade.
5. Beginning Tuesday, January 13, there will be a fee of \$1.00 for each change in registration (adding a course or discontinuing a course). This is payable at the Cashier's Office and will be receipted on the "Change of Registration" form.
6. If a student finds it necessary to discontinue school before the end of the quarter, he must clear with the Dean of Students, Room 2234 SFLC; or he will be given a "UW" on the official records for each class.
7. Class numbers which include the letter "P" indicate private courses for which there is a special fee. This fee is payable at the Cashier's Office. All Section 90 evening classes require a special fee of \$2.00 per credit hour. The fee is payable at the time Section 90 class cards are obtained.
8. Regular attendance is required at all recitations, laboratory and field work. The chairman of attendance and scholarship has general supervision of the disciplinary work of the institution.
9. Undergraduate students in good standing may register for as many as 17 hours of credit in any one quarter by following the regular registration procedures. In the case of a student who has academic ability of high quality, the Dean of a College may authorize the student to register for a maximum of 18 hours for the first quarter in residence and a maximum of 19 hours for any succeeding quarter. Any student who has been in residence for one quarter or more and has a cumulative average of 3.5 (or a 3.5 average in the quarter previous to registration) may register with the consent of his Dean, for 21 hours. Registration for students on probation must be limited to 15 hours. Any exceptions to the above rules shall be presented to the Deans' Council for consideration.
10. All students, regardless of where registered, are to have the advantage of the Counseling Service. It is the policy of the University that all new students check with their counselors some time during their first year at B. Y. U. to discuss the results of their orientation tests. Freshman students who register with a college do so with the understanding that they check with their counselors during the first quarter following such registration, or they will not be permitted to register for the following quarter.

COMPLETE PRE-REGISTRATION IS TO BE HELD FOR WINTER QUARTER, 1958-59

NO REGISTRATION IS PLANNED FOR THE FIELD HOUSE. CLASSES BEGIN JANUARY 5th.

REPEATING STUDENTS

Students enrolled Autumn Quarter 1958 may register between November 10th and December 12th by following the procedure given below.

1. Purchase a Class Schedule at the Student Service Center (25¢ each).
2. Obtain registration materials from the office of the Dean of the College in which your Autumn Quarter registration was completed. Each student must show his Autumn Quarter activity card or fee receipt.
3. Report to your registration adviser and complete your proposed Winter Quarter registration. Obtain the signature of your adviser. Keep your copy of the Class Schedule containing your proposed list of courses.
4. Go to the Dean's Office of the college in which you plan to enroll Winter Quarter. Obtain the signature of your Dean and leave your packet at his office. This must be completed before 4:00 p.m., Friday, Dec. 5th.
5. The Registrar's Office will pull class cards for students in the order in which packets are turned in to the Deans' Offices. When sections are closed the university reserves the right to substitute other available sections. Your Dean must approve times when you cannot have classes and also exceptions to the rule that 60% of your classes must be at hours other than 8, 9, and 11 a.m.
6. Fees may be paid at the Cashier's Office beginning November 10th. They must be paid before you report to finalize your registration.
7. When your class cards have been pulled you will be notified by mail to report to the multi-purpose area on the main floor of the Smith Family Living Center to finalize your registration. Take the notice and your validated Winter Quarter activity card with you.

LATE FEE FOR REPEATING STUDENTS

For all students enrolled Autumn Quarter, registration for Winter Quarter must be completed before 4:00 p.m., December 12th. Those who do not comply must register January 5th or later and pay the late fee (\$5.00 to \$10.00).

NEW AND FORMER STUDENTS

New and former students not enrolled Autumn Quarter may register any time after November 10th and before January 5th at 4:00 p.m. as follows:

1. Obtain a class schedule from the Student Service Center (25¢ each).
2. Notify the Admissions Office several days before you plan to register and obtain an Admission or Readmission permit. This may be done by mail.
3. Although classes begin on Monday, January 5th, students not enrolled Autumn Quarter may register on that day until 4:00 p.m. without any late fee penalty. If it is convenient, however, new and former students may complete their registration during the period from November 10th to January 5th by reporting, in person, to the Registrar's Office where registration materials and instructions may be obtained. Office hours are 8:15 a.m. to 4:00 p.m. Monday through Friday.

LATE FEE FOR NEW AND FORMER STUDENTS

The late registration fee of \$5.00 for the first day plus an additional \$1.00 for each day late, up to a maximum of \$10.00 begins January 6th for students not enrolled the Autumn Quarter. The fee for part-time students (9 credit hours or less) is one-half the above amount.

ALL STUDENTS PLEASE NOTE

Classes begin Monday, January 5th. First changes in registration will be accepted on Thursday, January 8th.

It is the policy of the University that each student must register for 60% of his classes at hours other than 8, 9, and 11 a.m. unless excused by his Dean. The student may list hours when he cannot have classes, but this must be approved by his Adviser and Dean.

SCHEDULE OF FRESHMAN ENGLISH EXAMINATIONS

Examinations will be held in the Social Hall Ballroom. Every Freshman enrolled in English 10, 111, 112, and 113 is required to take the examination. Failure to take the examination will result in an incomplete in that course. A fee will be charged for all make-up tests.

Each Monday, Wednesday, and Friday at 10 a.m. assemblies will be held in the Fieldhouse. These assemblies are designed to promote spiritual, intellectual, and cultural growth. A new feature this year is the Monday Forum Assembly which will carry credit for attendance. Students will receive 1 hour credit per year or $\frac{1}{3}$ hour credit per quarter for registration and attendance at 7 Forums each quarter. See page 21 for registration details.

REGISTRATION INSTRUCTIONS

IMPORTANT FACTS YOU SHOULD KNOW

1. The program of courses listed on your registration card supported by course cards you turn in to the Registrar's Office is considered your official registration for the quarter. You will be held responsible for the satisfactory completion of the entire program unless an official "Change of Registration" form is filed with the Registrar's Office, Maeser Building. No change in registration will be accepted until Thursday, January 8.
2. When once registration has been completed, the discontinuing of a class, the electing of a class, or any change whatsoever must be made on a "Change of Registration" form approved by the Dean of your College. (Complete instructions are printed on the back of the form.)
3. An incompleted course of study may be completed within one year of the time of the incompletion of the course. If a student does not complete a course within the prescribed time, his grade for the course automatically becomes an "E".
4. After the SECOND WEEK of each quarter further enrollments or registration in courses is not permitted. This means both NEW CLASSES and SECTION CHANGES. If a student withdraws from a class after three weeks of a quarter, the permanent record will show the letter "W" for the class in question. Except for reasons beyond his control, a student is not permitted to withdraw from a course after the SIXTH WEEK of the quarter without receiving a failing grade.
5. Beginning Tuesday, January 13, there will be a fee of \$1.00 for each change in registration (adding a course or discontinuing a course). This is payable at the Cashier's Office and will be receipted on the "Change of Registration" form.
6. If a student finds it necessary to discontinue school before the end of the quarter, he must clear with the Dean of Students, Room 223⁴ SFLC; or he will be given a "UW" on the official records for each class.
7. Class numbers which include the letter "P" indicate private courses for which there is a special fee. This fee is payable at the Cashier's Office. All Section 90 evening classes require a special fee of \$2.00 per credit hour. The fee is payable at the time Section 90 class cards are obtained.
8. Regular attendance is required at all recitations, laboratory and field work. The chairman of attendance and scholarship has general supervision of the disciplinary work of the institution.
9. Undergraduate students in good standing may register for as many as 17 hours of credit in any one quarter by following the regular registration procedures. In the case of a student who has academic ability of high quality, the Dean of a College may authorize the student to register for a maximum of 18 hours for the first quarter in residence and a maximum of 19 hours for any succeeding quarter. Any student who has been in residence for one quarter or more and has a cumulative average of 3.5 (or a 3.5 average in the quarter previous to registration) may register with the consent of his Dean, for 21 hours. Registration for students on probation must be limited to 15 hours. Any exceptions to the above rules shall be presented to the Deans' Council for consideration.
10. All students, regardless of where registered, are to have the advantage of the Counseling Service. It is the policy of the University that all new students check with their counselors some time during their first year at B. Y. U. to discuss the results of their orientation tests. Freshman students who register with a college do so with the understanding that they check with their counselors during the first quarter following such registration, or they will not be permitted to register for the following quarter.

COMPLETE PRE-REGISTRATION IS TO BE HELD FOR WINTER QUARTER, 1958-59

NO REGISTRATION IS PLANNED FOR THE FIELD HOUSE. CLASSES BEGIN JANUARY 5th.

REPEATING STUDENTS

Students enrolled Autumn Quarter 1958 may register between November 10th and December 12th by following the procedure given below.

1. Purchase a Class Schedule at the Student Service Center (25¢ each).
2. Obtain registration materials from the office of the Dean of the College in which your Autumn Quarter registration was completed. Each student must show his Autumn Quarter activity card or fee receipt.
3. Report to your registration adviser and complete your proposed Winter Quarter registration. Obtain the signature of your adviser. Keep your copy of the Class Schedule containing your proposed list of courses.
4. Go to the Dean's Office of the college in which you plan to enroll Winter Quarter. Obtain the signature of your Dean and leave your packet at his office. This must be completed before 4:00 p.m., Friday, Dec. 5th.
5. The Registrar's Office will pull class cards for students in the order in which packets are turned in to the Deans' Offices. When sections are closed the university reserves the right to substitute other available sections. Your Dean must approve times when you cannot have classes and also exceptions to the rule that 60% of your classes must be at hours other than 8, 9, and 11 a.m.
6. Fees may be paid at the Cashier's Office beginning November 10th. They must be paid before you report to finalize your registration.
7. When your class cards have been pulled you will be notified by mail to report to the multi-purpose area on the main floor of the Smith Family Living Center to finalize your registration. Take the notice and your validated Winter Quarter activity card with you.

LATE FEE FOR REPEATING STUDENTS

For all students enrolled Autumn Quarter, registration for Winter Quarter must be completed before 4:00 p.m., December 12th. Those who do not comply must register January 5th or later and pay the late fee (\$5.00 to \$10.00).

NEW AND FORMER STUDENTS

New and former students not enrolled Autumn Quarter may register any time after November 10th and before January 5th at 4:00 p.m. as follows:

1. Obtain a class schedule from the Student Service Center (25¢ each).
2. Notify the Admissions Office several days before you plan to register and obtain an Admission or Readmission permit. This may be done by mail.
3. Although classes begin on Monday, January 5th, students not enrolled Autumn Quarter may register on that day until 4:00 p.m. without any late fee penalty. If it is convenient, however, new and former students may complete their registration during the period from November 10th to January 5th by reporting, in person, to the Registrar's Office where registration materials and instructions may be obtained. Office hours are 8:15 a.m. to 4:00 p.m. Monday through Friday.

LATE FEE FOR NEW AND FORMER STUDENTS

The late registration fee of \$5.00 for the first day plus an additional \$1.00 for each day late, up to a maximum of \$10.00 begins January 6th for students not enrolled the Autumn Quarter. The fee for part-time students (9 credit hours or less) is one-half the above amount.

ALL STUDENTS PLEASE NOTE

Classes begin Monday, January 5th. First changes in registration will be accepted on Thursday, January 8th.

It is the policy of the University that each student must register for 60% of his classes at hours other than 8, 9, and 11 a.m. unless excused by his Dean. The student may list hours when he cannot have classes, but this must be approved by his Adviser and Dean.

SCHEDULE OF FRESHMAN ENGLISH EXAMINATIONS

Examinations will be held in the Social Hall Ballroom. Every Freshman enrolled in English 10, 111, 112, and 113 is required to take the examination. Failure to take the examination will result in an incomplete in that course. A fee will be charged for all make-up tests.

BRIGHAM YOUNG UNIVERSITY

Each Monday, Wednesday, and Friday at 10 a.m. assemblies will be held in the Fieldhouse. These assemblies are designed to promote spiritual, intellectual, and cultural growth. A new feature this year is the Monday Forum Assembly which will carry credit for attendance. Students will receive 1 hour credit per year or $\frac{1}{3}$ hour credit per quarter for registration and attendance at 7 Forums each quarter.

REGISTRATION INSTRUCTIONS

IMPORTANT FACTS YOU SHOULD KNOW

1. The program of courses listed on your registration card, supported by course cards you turn in to the Registrar's Office is considered your official registration for the quarter. You will be held responsible for the satisfactory completion of the entire program unless an official "Change of Registration" form is filed with the Registrar's Office, Maeser Building. No change in registration will be accepted until Thursday, March 26.
2. When once registration has been completed, the discontinuing of a class, the electing of a class, or any change whatsoever must be made on a "Change of Registration" form approved by the Dean of your College. (Complete instructions are printed on the back of the form.)
3. An incompleted course of study may be completed within one year of the time of the incompleting of the course. If a student does not complete a course within the prescribed time, his grade for the course automatically becomes an "E".
4. After the SECOND WEEK of each quarter further enrollments or registration in courses is not permitted. This means both NEW CLASSES and SECTION CHANGES. If a student withdraws from a class after three weeks of a quarter, the permanent record will show the letter "W" for the class in question. Except for reasons beyond his control, a student is not permitted to withdraw from a course after the SIXTH WEEK of the quarter without receiving a failing grade.
5. Beginning Tuesday, March 31, there will be a fee of \$1.00 for each change in registration (adding a course or discontinuing a course). This is payable at the Cashier's Office and will be receipted on the "Change of Registration" form.
6. If a student finds it necessary to discontinue school before the end of the quarter, he must clear with the Dean of Students, Room 2234 SFLC; or he will be given a "UW" on the official records for each class.
7. Class numbers which include the letter "P" indicate private courses for which there is a special fee. This fee is payable at the Cashier's Office. All Section 90 evening classes require a special fee of \$2.00 per credit hour. The fee is payable at the time Section 90 class cards are obtained.
8. Regular attendance is required at all recitations, laboratory and field work. The chairman of attendance and scholarship has general supervision of the disciplinary work of the institution.
9. Undergraduate students in good standing may register for as many as 17 hours of credit in any one quarter by following the regular registration procedures. In the case of a student who has academic ability of high quality, the Dean of a College may authorize the student to register for a maximum of 18 hours for the first quarter in residence and a maximum of 19 hours for any succeeding quarter. Any student who has been in residence for one quarter or more and has a cumulative average of 3.5 (or a 3.5 average in the quarter previous to registration) may register with the consent of his Dean, for 21 hours. Registration for students on probation must be limited to 14 hours. Any exceptions to the above rules shall be presented to the Deans' Council for consideration.
10. All students, regardless of where registered, are to have the advantage of the Counseling Service. It is the policy of the University that all new students check with their counselors some time during their first year at B. Y. U. to discuss the results of their orientation tests. Freshman students who register with a college do so with the understanding that they check with their counselors during the first quarter following such registration, or they will not be permitted to register for the following quarter.

COMPLETE PRE-REGISTRATION IS TO BE HELD FOR SPRING QUARTER, 1958-59

NO REGISTRATION IS PLANNED FOR THE FIELD HOUSE. CLASSES BEGIN MARCH 23rd.

REPEATING STUDENTS

Students enrolled Winter Quarter 1959 may register between February 23rd and March 6th by following the procedure given below.

1. Purchase a Class Schedule at the Student Service Center (25¢ each).
2. Obtain registration materials from the office of the Dean of the college in which your Winter Quarter registration was completed. Each student must show his Winter Quarter activity card or fee receipt.
3. Report to your registration adviser and complete your proposed Spring Quarter registration. Obtain the signature of your adviser. Keep your copy of the Class Schedule containing your proposed list of courses.
4. Go to the Dean's Office of the college in which you plan to enroll Spring Quarter. Obtain the signature of your Dean and leave your packet at his office. This must be completed before 4:00 p.m., Friday, Mar. 6th.
5. The Registrar's Office will pull class cards for students in the order in which packets are turned in to the Deans' Offices. When sections are closed the university reserves the right to substitute other available sections. Your Dean must approve times when you cannot have classes and also exceptions to the rule that 60% of your classes must be at hours other than 8, 9, and 11 a.m.
6. Fees may be paid at the Cashier's Office beginning February 10th. The first installment of \$25.00 must be paid before you report to finalize your registration.
7. When your class cards have been pulled you will be notified by mail to report to the multi-purpose area on the main floor of the Smith Family Living Center to finalize your registration. Take the notice and your validated Spring Quarter activity card with you.

LATE FEE FOR REPEATING STUDENTS

For all students enrolled Winter Quarter, registration for Spring Quarter must be completed before 4:00 p.m., March 13th. Those who do not comply must register March 23rd or later and pay the late fee (\$5.00 until March 27th, and \$10.00 after that date).

NEW AND FORMER STUDENTS

New and former students not enrolled Winter Quarter may register any time after February 23rd and before March 23rd at 4:00 p.m. as follows:

1. Obtain a class schedule from the Student Service Center (25¢ each).
2. Notify the Admissions Office several days before you plan to register and obtain an Admission or Readmission permit. This may be done by mail.
3. Although classes begin on Monday, March 23rd, students not enrolled Winter Quarter may register on that day until 4:00 p.m. without any late fee penalty. If it is convenient, however, new and former students may complete their registration during the period from February 23rd to March 23rd by reporting, in person, to the Registrar's Office where registration materials and instructions may be obtained. Office hours are 8:15 a.m. to 4:00 p.m. Monday through Friday.

LATE FEE FOR NEW AND FORMER STUDENTS

The late registration fee of \$5.00 until March 27th, and \$10.00 after that date begins March 24th for students not enrolled the Winter Quarter. The fee for part-time students (9 credit hours or less) is one-half the above amount.

The maximum charge for both late registration and late payment of fees is \$20.00.

ALL STUDENTS PLEASE NOTE

Classes begin Monday, March 23rd. First changes in registration will be accepted on Thursday, March 26th.

Failure to pay full tuition and fees by April 3rd will cost students \$5.00 and failure to pay by April 10th will result in the cancellation of a student's registration. The fee for re-instatement of registration is \$10.00.

It is the policy of the University that each student must register for 60% of his classes at hours other than 8, 9, and 11 a.m. unless excused by his Dean. The student may list hours when he cannot have classes, but this must be approved by his Adviser and Dean.

SUMMER SCHOOL – 1959

Brigham
Young
University

CLASS SCHEDULE

IMPORTANT FACTS YOU SHOULD KNOW

Classes indicated as F are for the first term, June 15 to July 17.

Classes indicated as S are for the second term, July 20 to Aug. 21.

Classes indicated as C continue through both terms, June 15 to Aug. 21.

1. Courses which do not draw a proper number of students by Friday of the first week will be discontinued by the Dean of the Summer School.
2. The program of courses listed on your Registration Card is considered the official registration for the quarter. You will be held responsible for the completion of the entire program unless an official "Change in Registration" form is filed with the Registrar's Office. Changes in registration will be accepted starting Thursday, June 18.
3. When once registration has been completed, the discontinuing of a class, the electing of a class, or any change whatsoever must be made on a "Change of Registration" form approved by your dean or counselor. (The forms may be obtained from your Dean or the Registrar's Office. Complete instructions are printed on the back of the form.)
4. Beginning Monday of the second week of each term, there is a fee of \$1 for each change of registration (adding a course or discontinuing a course.) This is payable at the Treasurer's Office and will be receipted on the "Change of Registration" form.
5. If you find it necessary to discontinue school before the end of the quarter, you must clear with the Dean of Students, 223⁴ SFLC, or you will be given a "UW" (Unofficial Withdrawal - this is the same as an "E") on the official records.
6. Class numbers which include the letter "P" indicate private instruction for which there is a special fee. This fee is payable at the Treasurer's Office.

SESSION CODE: C continuous, F first term, S second term

**ACADEMIC REGULATIONS AND PROCEDURES
OF THE
BRIGHAM YOUNG UNIVERSITY**

Every student is responsible for knowing the academic regulations and procedures of Brigham Young University. Any proposed deviation from these regulations must be approved by the agency concerned. This will most generally be the Academic Regulations and Procedures Committee. This committee meets twice each month in the office of the Dean of Admissions and Records.

1. FEES—WHERE PAID

All fees listed in this statement of policies and procedures are to be paid at the Cashier's Office unless otherwise noted.

2. LATE REGISTRATION PENALTY

Students failing to register on the regularly scheduled registration dates pay a late registration fee of \$5.00 for the first five regular school days following the scheduled registration date. A \$10.00 fee will be assessed following that time.

3. ADMISSION TO CLASS

Instructors will receive rolls of students in their classes within two days after the initial registration dates. A subsequent roll will be sent out at the end of the third week, which roll will include all names of students registering for that class. Students whose names appear on these rolls, or those students for whom an add card has been received, are officially registered; others are referred immediately to the Admissions and Records Office for completion of their registration.

4. DROPPING AND ADDING COURSES

A. Changes in the original registration may be made only with the approval of the instructor and the dean of the student's major field. Official change of registration cards are obtained from the Admissions and Records Office. After being properly signed, these cards must be turned in at the Admissions and Records Office within three days, but no official change in registration may be made by a student until three days after his registration.

B. A fee of \$1.00, payable at the Cashier's Office, is charged for each change of registration card processed after the first week.

C. A currently enrolled student may not register for nor enter a new class after October 12.

D. Late registration of new or former students may be made at the University after October 16.

E. No student may drop a single class for which he is registered after November 6 without receiving a failing grade.

F. Students completely withdrawing from school after November 18 must be doing passing work in each class if they are to discontinue the class without academic failure.

G. Any person dropping a religion class following the initial registration must also add another class in religion or present a signed statement from the Dean of the College of Religious Instruction officially excusing him that quarter.

5. EXTRA FEE FOR EVENING CLASSES

An extra fee of \$2.00 per credit hour in addition to the regular tuition is required for all day-time students taking evening classes with section numbers 90 or above.

6. ELECTION OF STUDIES

At least five quarters of lower division work should be completed before the student registers for upper division work, unless in certain sequences the dean, with the consent of the instructor, advises otherwise. Included in the lower division work must be English 110 or 111; 112 or 115; and 113 or 116. In order to qualify for Bachelor of Arts degree, a candidate must furnish a training equivalent to 24 hours of college credit in a foreign language.

7. COUNSELING SERVICE

All students, regardless of where registered, are to have the advantage of the Counseling Service. It is

the policy of the University that all new students check with their counselors some time during their first year at B.Y.U. to discuss the results of their orientation tests.

8. LIMITATION ON CREDIT IN ONE QUARTER

Undergraduate students in good standing may register for as many as 17 hours of credit in any one quarter by following the regular registration procedures. In the case of a student who has academic ability of high quality, the dean of a college may authorize the student to register for a maximum of 18 hours for the first quarter in residence and a maximum of 19 hours for any succeeding quarter. Any student who has completed 15 or more hours of college work and who has a cumulative average of 3.5 (or a 3.5 average in the quarter previous to registration) may register, with the consent of his dean, for 21 hours. Any exception to the above rules shall be presented to the Dean of Admissions and Records for consideration.

9. EVALUATION OF TRANSFER CREDIT

At Brigham Young University a student has completed the general education requirements, except religion and American institutions, if he has graduated from any accredited, two-year collegiate institution having a pattern of general education similar to that at B.Y.U. Also, a student has completed the general education requirements, except religion and American institutions, if he transfers to Brigham Young University from an accredited four-year college or university having a pattern of general education similar to that at B.Y.U., provided that he presents satisfactory evidence of having completed the general education requirements of his former college. Other transfer students will have their transcripts audited in terms of the B.Y.U. program and will be notified as to what remains to be completed prior to or during their first quarter at B.Y.U.

10. MAJOR AND MINOR REQUIREMENTS

At the time of his graduation, the student must have completed at least thirty quarter hours in his major department and no fewer than twenty hours in collateral or minor subjects which meet the approval of the head of his major department.

When the prospective graduate's high school and college work shows marked evidences of deficiencies and grade of scholarship, in breadth of training or preparation for a probably future activity, the head of the department, in consultation with the dean, may prescribe certain additional specified courses according to the needs of the particular student.

11. WITHDRAWAL FROM THE UNIVERSITY

All students discontinuing registration at the University are required to clear their termination through the office of the dean of their college and then the Dean of Students.

12. WITHDRAWAL REFUNDS

In the event of withdrawal either by a regular or by a special student, a refund will be made on the basis of a charge of \$10 plus a per day charge of two per cent of the total tuition and fees paid or payable for the quarter. The days charged for will be the school days beginning with the first day of the quarter on which classes were held following date on which the student registered to the day on which the student reported his withdrawal to the Office of the Dean of Students, both days inclusive.

Any refund due a student because of withdrawal from school will be made **ONLY BY CHECK, THROUGH THE MAIL**, two weeks from the date on which the

student reported his withdrawal and surrendered his receipt or activity card to the Office of the Dean of Students.

No refunds will be granted to a student who is requested to withdraw for scholarship or other causes.

No refunds will be made directly to an unmarried student under twenty-one years of age unless the student has the written permission of his parents or legal guardian.

13. FACULTY REGISTRATION
FOR COURSES OF STUDY

1. All regular full-time faculty members and their wives are eligible to register for an unlimited number of hours without charge. The husband of a woman who is a member of the faculty is not eligible to register for classes without charge.

2. All regular full-time staff members not classified as faculty will be allowed five credit hours per quarter and their wives a similar amount. Any classes taken in excess of five hours credit during any quarter will be charged for in the regular way. The husband of a woman who is a member of the staff is not eligible for remitted fees.

3. All regular full-time staff members not classified as faculty, if carrying more than five hours, must have written authorization from their department

If, however, the student finds it necessary to miss the examination through critical cause such as serious illness, selective service requirements, etc., and if it is impractical to give the later examination, the teacher may record a grade which seems most equitable.
